

Electronic Evidence #2 – Special Education Majors

Content, Depth and Application Project (DnA)

Content Knowledge: Evidence that demonstrates candidate depth of understanding and application of content knowledge in the specialty area.

This Depth and Application (DnA) Project is designed to provide evidence of candidate’s performance relative to the following standards and elements:

This electronic evidence supports the descriptor 3b.1 and Teacher Education Specialty Area Standards (2009) for Special Education Teachers. Standard 2 states that candidates are expected to “connect discipline based content and concepts to real world applications and situations” p. 17. **Standard 3: Teachers know the content they teach.** Candidates will demonstrate appropriate level of content for the Teacher Brief by choosing a topic or problem in literacy that goes beyond what is expected for NC Common Core and Essential Standards and produce an informative, interactive and engaging presentation of the brief.
