Electronic Evidence #3**

Evidence Descriptors and Evaluation Tool

Highlighted yellow text below describes how the evidence specifically addresses each of the descriptors. The rubric will be used for the instructor’s evaluation of the project as it related to the course grade as well as for gateway assessment for the unit’s comprehensive assessment plan for CAPE.

Alignment with the NC Professional Teaching Standards				
The Literacy Infused Curriculum Project assessment is designed to provide evidence of the candidate’s performance relative to the following standards and elements:				
Teachers demonstrate leadership. This performance assessment requires candidates to develop a unit of cohesive, meaningful, and purposeful lesson plans that integrate Language Arts, Technology, Arts, and Social Studies <i>North Carolina Common Core/Essential Standards</i> , as well as, the appropriate North Carolina Professional Teaching Standards for technology integration.				
<i>1a.2 Draws on appropriate data to develop classroom and instructional plans</i>	Emerging/Developing 1 (Below 80%)	Proficient 2 (80-89%)	Accomplished 3 (90-100%)	Evaluation
The candidate will demonstrate the ability to develop a series of instructional strategies based on existing performance data for students in the EDU 4134 classroom and the relevant NCCC/ES/NCPTS to produce a cohesive unit of five (5) lesson plans centered on a topic in social studies.	The five (5) social studies lesson plans do not purposefully use available student performance data and the relevant NCCC/ES/NCTPS to plan a cohesive unit of study.	The five (5) social studies lesson plans form a cohesive unit which evidences the purposeful integration of the relevant NCCC/ES/NCTPS along with available student performance data.	The five (5) lesson plans form a cohesive social studies unit which uses relevant NCCC/ES/NCPTS and available performance data. The unit evidences thoughtful application of available student performance data to develop activities that will promote a classroom culture of student engagement and lifelong learning. Total Standard 1: Teachers demonstrate leadership.			Score:	

Teachers establish a respectful environment for a diverse population of students. This performance assessment requires candidates to spotlight a student with special needs and plan modifications that will enable the student to be successful in meeting the objectives for all lesson plans in the Literacy Infused Curriculum Project.				
<i>2b.3 Understands the influence of diversity and plans instruction accordingly.</i>	Emerging/Developing 1 (Below 80%)	Proficient 2 (80-89%)	Accomplished 3 (90-100%)	Evaluation
The candidate must identify a student with special needs and thoughtfully and purposefully plan appropriate modifications for each of the lesson plans that will enable the student to be successful.	The modifications are not appropriate for the identified unique learner and/or some of the lesson plans reflect inappropriate modifications to enable the learner to be successful in meeting stated five (5) ES.	All of the modifications for the identified unique learner are appropriate and deemed to be effective in enabling the student to be successful in meeting the ES on all five (5) lesson plans.	Multiple types of modifications (instructional/behavioral/physical) for the identified unique learner are provided to enable the student to be successful in meeting the ES on all five (5) lesson plans.
