

Application for Summer Internship Superior Fresh, LLC

<http://www.superiorfresh.com>

Application Deadline: March 15th, 2020

Completed applications should be submitted to Dr. Chris Fowler by March 15th, 2020. Application documents can be sent to cfowler@highpoint.edu, sent by campus mail to *Dr. Chris Fowler*, or dropped off at *WSNS 415, Department of Chemistry, Wanek School of Natural Sciences, High Point University*. Late submissions will be accepted but may not be given full consideration.

HPU will select two students for an eight-week summer internship experience at SuperiorFresh™, one of the largest aquaponics facilities in the world. Students will spend eight weeks (June 8 – July 31, 2020) in Northfield, Wisconsin working alongside experts in aquaponics and ecological restoration. For more information on SuperiorFresh™ please visit the attached web address.

The internship includes:

- A \$12/hr salary.
- A stipend* for housing.
- A stipend* for travel.

**Details are still being finalized but expected to be approximately \$1250 for housing and \$600 for travel.*

Applicants can be of any major. Priority will be given to students interested in a career path including conservation, ecological restoration, sustainable agriculture, or sustainable business. Interns will gain hands-on experience in:

- Ecological Restoration on a 720 acre nature preserve
- Growing leafy greens in a 123,000 sq. foot greenhouse
- Monitoring water chemistry in the world's largest cold-water aquaponics facility
- Sustainable Business, Marketing, and Distribution

Application Information:

Name: Last _____ First _____ Middle _____

Home Address: street _____ city _____ state _____ zip _____

Cell-phone Number: _____

Email Address: _____

Academic Major(s): _____

Academic Minor(s): _____

Current Class: Freshman Sophomore Junior Senior

Expected Graduation Date: Fall Spring 2019 2020 2021 2022

Career Aspirations: _____

- I. Provide the names and contact information of 3 professors who are willing to provide a reference for you, addressing your educational background, your ability to understand concepts related to the environmental sciences, and your willingness to work as part of a team.

	<i>Reference name</i>	<i>Department</i>	<i>Email address</i>
1			
2			
3			

- II. Attach a copy of your current resume to your email or hardcopy submission.

III. As a potential intern, you will be acting as a representative of High Point University. If you have any conduct or honors violations on record, please explain them here. Please note that the review committee will be requesting these records from student life.

IV. Have you ever been convicted of a felony? If so, please explain.

V. Explain why you should be considered for this opportunity. (500 words max)

- VI. SuperiorFresh is located in rural Wisconsin. If chosen for this internship, indicate how you would intend to travel to the site; i.e. flights to and from what airports or driving your own car. Also, indicate if you would be providing your own automobile transportation while at the facility or if you would rely on another intern. *This information does not influence the selection of the best candidates for the internship, it merely allows the Environmental Studies committee to start coordinating travel. However, transportation during the internship will be the responsibility of the intern.*
